MAMMA MIA 2023

The heart of Mamma Mia is the music of ABBA and we're going to put everything we have into it to make this show as fun, showy, and entertaining as possible! You don't often get a second chance at this sort of thing and we're going to make the most of it!

In many ways the ambition is to make it feel as much like a pop concert featuring ABBA's greatest hits as a musical comedy in the traditional sense. While everyone will sing and dance to some extent, there will be featured dancers and there will be a Featured Vocal Ensemble, singing in virtually every number plus a chorus of singing and dancing people. There will also be everything in between! The unifying factor on stage will be the energy, spirit and delight that is magically contained in the music of ABBA and our ambition will be to package up that joy and deliver it into the audience. Being part of this ensemble offers a very exciting opportunity to have a blast on stage singing some of the best pop music ever written!

In terms of the plot, Mamma Mia famously chronicles the story of a single Mom and her daughter on the eve of the daughter's wedding. On the surface, it's a familiar, breezy comedy as the daughter searches for the identity of her father and love interests wax and wane; underneath, a more poignant story develops as the two generations of women explore the requirement of a male figure in their quest for fulfillment and a mother comes to terms with her daughter leaving for adulthood.
